

Cruella stole the puppies! Helps us get them back!

If you want to find them,
you'll need more clues.
You begin to find them
where you put your shoes.

Getting to them
will be a joy,
find the next clue
where you put your toys.

You may find them
if you're bold,
you may find them
in the cold.

When you do here
you may want to plug your nose,
because they might be hiding
in the dirty clothes.

Quick!
While Cruella is out looking for more,
you may want to open
your front door!
